

## ALPEGO Srl and İLGİ TARIM MAKİNALARI are joining forces

ALPEGO Srl and İLGİ TARIM MAKİNALARI are joining forces to offer more and diversified services for the European Market.

İLGİ TARIM is one of the most important and well known implements manufacturers in Turkey. İLGİ TARIM is growing fast in the ever challenging environment of the international market thanks to the high

quality of the products offered and the dynamism of its management.

The commercial and technical joint venture ALPEGO Srl and İLGİ TARIM will give to European Customers the chance to enjoy a wider range of implements together with an innovative technology due to the merging of experiences in terms of quality, service and technical development

Present days challenges require joint efforts to give the right answers to the ever growing needs of modern farmers. A broader range, a faster and more efficient service provided by a structured and yet dynamic organization capable to adapt to every change and need: this is what farmers want. This is what ALPEGO Srl and İLGİ TARIM are offering together.

ALPEGO Srl and İLGİ TARIM are already well established and well known in the European Market. Together they will be able to provide new products in their relevant markets with the intent of offering a wider range of products from a single organization

With more than 4 decades of experience under their belt **Giovanni Pegoraro** and **Şahin İLGİ**, representing the will of their companies, are focusing on providing user friendly and yet state of the art technologies to the modern farmers thus offering the best product at the best price.

Giovanni Pegoraro - Şahin İLGİ
